

As a prof. truck driver.. i CANT THINK of going to a big city with out Xm  
trafic..... try to find a loc. radio station that will have trafic is  
inposible.... when every sec. counts as too be stock in the trafic or find a  
good way out of a big mess... i always want my Xm to be therewe are talking  
making it on time with my load .... or not.... THAT'S MY \$\$\$\$\$\$....

ps.....

Fcc..... BACK OFF..... i came from Easter Europe country... and i can tell  
You..... this is a start.... slow.... step by step.... we will become what i  
have run from..... mark my words.....!
